

DATA DRIVEN DECISION MAKING

If:	Focus on:
<p>> 40 % of student received 1 + ODR > 2.5 ODR/student</p>	<p>School-wide System</p>
<p>> 60 % of referrals come from classroom > 50 % of ODR come from < 10 % of classrooms</p>	<p>Classroom System</p>
<p>> 35% of referrals come from non-classroom settings > 15% of students referred from non-classroom settings</p>	<p>Non-Classroom System</p>
<p>>10-15 student receive >5 ODR</p>	<p>Supplemental Group Interventions (Tier 2)</p>
<p>< 10 student with >10 ODR < 10 students continue rate of referrals after receiving supplemental (Tier 2) support Small number of students destabilizing overall functioning of school</p>	<p>Targeted Individual / Group Interventions (Tier 3)</p>
